Dear Consuelo,

As Chairman of SEFF I write to thank you most sincerely for your attendance and contribution at our recent 'European Innocent Victims seminar' event held in The Lough Erne Golf Resort on Saturday 27th February 2016.

Your contribution richly complemented the core Conference themes; truth, justice and accountability and the need for the provision of professional and empathetic support services.

Feedback has been extremely positive from those attending the event who seemed to really appreciate the diverse presentations and associated exchanges which took place.

Going forward, we plan to hold such an event on an annual/bi-annual basis.

Kind Regards,

Eric Brown

Chairman
